

# FARM CREDIT

OF SOUTHERN COLORADO

## Dear Valued Customer,

We are writing to inform you of an important update regarding your billing statements from Farm Credit of Southern Colorado.

Effective with your next statement, you will notice a change in the return address for payments. We are discontinuing the use of the Kansas return address that appeared on previous billing statements.

Moving forward, your statement will display the address of your assigned branch location.

However, please note that payments can be processed at any of our six branch locations.

If you utilize a Bill Pay service through your personal bank, we kindly request that you update the payment address on record at your earliest convenience to prevent any potential delays in payment processing.

For your reference, a list of our branch locations is provided below. You can also find this information on our website at <https://aglending.com/>

Should you have any questions or concerns regarding this change, please don't hesitate to contact your local branch.

Thank you for your attention to this matter and for your continued business with Farm Credit of Southern Colorado.
